This total charge of \$106,000 was billed as follows:

No credit or refund under section 6416(b)(1) of the Code may be allowed in respect of any amount which was included in the taxable price of an article sold by the manufacturer and which was later paid by him to his vendee in reimbursement of costs incurred for advertising, if, and to the extent that, the amount so paid:

- (2) Is not within the limitation provided in section 4216(e)(2) of the Code, as computed in accordance with §53.101, as of the close of the calendar quarter in which the amount is so paid over or as of the close of any subsequent calendar quarter in the same calendar year. See, however, §53.175, relating to redetermination of price readjustments in cases where local advertising charges excluded from taxable price in one calendar year become taxable as of May 1 of the following calendar year.
